AMAAN SHAIKH

Software Engineer | Full-Stack Developer

Java • Python • Spring Boot • FastAPI • React.js • Next.js • PostgreSQL • REST APIs • AI/LLMs

PROFILE

Software Engineer and Full Stack Developer with hands-on experience building scalable web and mobile applications using Java, Python, Spring Boot, FastAPI, React.js, and REST APIs. Experienced in backend development, API integration, database design, responsive interfaces, and application deployment through internships, freelance work, and real-world projects. Also experienced in developing AI-powered applications using LLMs, NLP, and modern AI technologies.

TECHNICAL SKILLS

Programming Languages
- Java
- JavaScript
- TypeScript
- Python
- SQL

Frontend Development
- React.js
- React native
- Tailwind CSS
- Next.js
- HTML5
- CSS3

Backend Development
- REST APIs
- Spring Boot
- JWT
- FastAPI
- Express.js
- Backend Services

Cloud
- Cloud Deployment
- AWS
- Jenkins
- CI/CD

Databases
- SQLite
- MySQL
- PostgreSQL

Android Development
- Android SDK
- Android Studio
- Firebase
- SQLite

Tools
- GitHub
- Postman
- IntelliJ IDEA
- Android Studio
- N8N

AI & LLM Technologies
- LLMs
- Prompt Engineering
- RAG
- AI Agents
- NLP

EDUCATION

Bachelor of Science in Computer Science
Swami Ramanand Teerth Marathwada University, Nanded, Maharashtra 2023 - 2026

EXPERIENCE

Java Full Stack Developer Intern | Zidio Development | June 2026 - Aug 2026 | 3 Months

Developed full-stack web applications using Java, Spring Boot, React.js, and PostgreSQL.

Built and integrated REST APIs, database components, and frontend interfaces.

Participated in the complete development lifecycle including implementation, testing, debugging & deployment.

Software Engineer Intern | CerenMobile | OCT 2025 - APR 2026 |6 Months

Developed and maintained Android and React Native applications using Java, Android SDK, and React Native.

Integrated REST APIs, implemented responsive interfaces, and optimized application performance.

Collaborated using Git/GitHub and Agile methodologies while troubleshooting and resolving application error

Freelance Full Stack Developer | 2024 - Present | Self-Employed

Designed and developed production-ready full-stack web applications for clients using modern frontend and backend technologies.

Implemented responsive interfaces, authentication, database integration, REST APIs, and cloud deployment.

Managed the complete development lifecycle from requirements and database design to deployment and maintenance.

PROJECTS

KEYSTONE – Field Service Management Platform

Live Link : https://keystone-eight-virid.app

Java | Spring Boot | React.js | TypeScript | PostgreSQL | JWT | REST APIs

Developed a full-stack field service platform with role-based JWT authentication, work-order management, technician tracking, and interactive dashboards.

Designed REST APIs and PostgreSQL database architecture for managing service operations and workflows.

Calisthenics Pro — AI-Powered Fitness Platform

LIve link : https://calesthenics-pro.vercel.app

Next.js 14 • TypeScript • Tailwind CSS • FastAPI • Google Gemini AI

- Built a full-stack AI fitness platform that generates personalized calisthenics workout plans based on user goals and fitness level.
- Integrated Google Gemini AI with FastAPI to provide intelligent workout generation and personalized training recommendations.
- Developed a responsive, modern frontend using Next.js, TypeScript, and Tailwind CSS, with a scalable frontend-backend architecture.

ASTRAA – Climate Intelligence System

live Link : https://astraa.app

Next.js | Express.js | FastAPI | PyTorch | Three.js.

Developed an intelligent climate platform integrating frontend, backend, and machine learning services.

Built interactive dashboards and real-time weather visualizations using modern web technologies..

AAMDAR Fitness Club - Fitness Management System

Live Demo : https://www.aamdarfitnessclub.in

Next.js, TypeScript, PostgreSQL, Prisma, Tailwind CSS.

Developed a full-stack fitness management platform with membership management, manager portal, trainer profiles,
